Sales/Service Bulletin

ECU (Engine Control Module)

(SAVE \$ 20.00)

February 2011

Zenith Fuel Systems will, for any new orders of a service replacement ECU, issue a special credit of **\$20 dollars** and will pay the shipping for the return of the old ECU.

The old ECU must be received without any physical damage before a credit will be issued.

Before shipping the old ECU back to Zenith Fuel Systems please contact:

Mattie Bellamy 276-645-8619 or

Mike Farmer @ 276-645-8632

to obtain a RMA #.

After the RMA # is issued you will be receiving a call tag with all information and instructions to ship the old ECU back to Zenith.

Please carefully pack the old ECU along with a short note describing the ECU problem.
